About Rainbow Club

Rainbow Club is a parent run, not for profit organisation providing children with special needs the opportunity to explore and extend their abilities through sporting activities and tailored social events. It was founded in 2010 by a parent with a special needs son who saw a gap with inclusion for everyday activities that every child should enjoy.

Our goal is to make children with special needs and their families feel included.

Our staff are all trained and understand the importance of continuity when teaching.

We pride ourselves on creating a warm and welcoming environment for our members.

We are not able to accommodate people who either do not have or are not currently undertaking clinical or medical diagnostic analysis for a medically diagnosed disability or special need.

Testimonials

"Our son WILL NOT be returning to Rainbow Club for 2018. He has become a member of the Special Olympics Melbourne West Metro Swimming Group. We, as a family, would like to take this opportunity to say " an enormous THANK YOU" to the people at Rainbow Club for the tuition you have all provided to him over his time at Rainbow Club, and we wish you all continued success with your programs, he wouldn't have become the swimmer he is today without your "one on one" tuition. Best of luck and continued success for everyone at Rainbow Club. " Plichta Family

"We always worry how the 2 kids will go with their swimming lessons after we originally signed up for lessons at the local pool but the kids were beside themselves with stress, big group, one teacher who didn't know how to handle special needs, it was a nightmare. I'm so glad to report that now the kids are with Rainbow Club our 2 kids are happier than ever, always excited to come each week and I also do a lot less stressing too. What a wonderful job you guys do with the scheduling and managing of the swim program, you are amazing! Thank You!!!!" Tom Davie
